CORD NEWS
Committee on Research in Dance

Volume 1/2
August, 1969

Dear Members of CORD:

This is to bring greetings to each of you and best wishes for a happy,restful vacation. It is also to express my appreciation to those of you who responded in any way to Volume 1/1 in April, 1969, and to all who have contributed to this issue of CORD News, including the members of the CORD News Committee.

It is with sincere regret that I have asked to be released from my Chairmanship of the CORD News Committee because of increasing administrative, teaching, and research duties through an ever-expanding program in the College of Health, Physical Education, and Recreation at the Texas Woman's University. It has been a privilege and honor to serve as your Editor of CORD News, and I shall continue in every way possible to contribute to the further growth of this unique organization.

May I recall your attention to the three regular sections of CORD News entitled, respectively, Exchange of News and Views, Resource Materials, and CORD Information? May I also solicit on behalf of your new Editor your regular contributions to these media for a stimulating exchange of ideas and a sharing of information with respect to dance and related areas of research? Without your conscientious contributions to these three sections, CORD cannot grow as it should through the cooperative exchange of all of its members.

With best wishes to each of you for continued success and happiness in all that you undertake, I am

Sincerely yours,
Anne Schley Duggan, Chairman
