Political Science Research and Methods

THE JOURNAL OF THE EUROPEAN POLITICAL SCIENCE ASSOCIATION

Political Science Research and Methods (*PSRM*) is a general political science journal dedicated to publishing original scholarly work of the highest quality from all subfields of political science.

PSRM seeks research that applies rigorous methods to empirical or theoretical problems and promotes a rigorous scientific approach to the study of politics. Work at the intersection of political science and related disciplines such as economics and sociology is also welcomed.

Sign up for content alerts, find out how to submit your paper, recommend *PSRM* to your librarian and more at the journal homepage here:
