The Index was compiled by Mrs. C.C. Diepeveen, Middelburg, The Netherlands.

The Index contains references to all matters of substance dealt with in the text of the articles. Detailed references to cases dealt with will be found in the accompanying Table of Cases. The section on correspondents' Reports is also indexed, but for information on the practice of individual states regarding detailed aspects of international humanitarian law the reader should consult the index under the states concerned. Footnotes containing substantive material are also indexed, as are references to the work of scholars the first time such work is listed.
