Nationalities Papers is the place to turn for cutting edge multidisciplinary work on nationalism, migration, diasporas, and ethnic conflict. We publish high-quality peer-reviewed articles from historians, political scientists, sociologists, anthropologists, and scholars from other fields. Our traditional geographical emphasis has been on Central and Eastern Europe and Eurasia, but we now publish research from around the globe. As the journal of the Association for the Study of Nationalities (ASN), our mission is to bring together scholars worldwide working on nationalism and ethnicity and to feature the best theoretical, empirical, and analytical work in the field. We strongly encourage submissions from women, members of minority and underrepresented groups, and people with disabilities.

On the Cover. Photo Taken by Dragana Svraka: The photo was taken on January 9, 2022 in Banja Luka, Bosnia and Herzegovina. January 9th is celebrated as the "Day of Republika Srpska" and is used by local political leaders to display symbols of Serbian ethnic nationalism. I took a walk around town and found this graffiti on a building: In red is a stenciled image of Ratko Mladić, but someone else has altered the image by writing "Peace Not War" over it.
