MEDICO-PSYCHOLOGICAL ASSOCIATION.

At a Special Meeting, held at Bethlem Hospital on Thursday, June 23rd, 1892, it was resolved—

1st. "That there be a Committee of Education temporarily appointed, consisting of Members of the Association who are teachers of Psychological Medicine in the Universities or Medical Schools in England."

2nd. "That the Committee be instructed to take steps to be represented before the Commission on the New (Gresham) University."

3rd. "That this Meeting recommends to the Annual Meeting that a Board of Education be appointed to consider all questions affecting Medico-Psychological teaching, the Board to consist of all Members of the Association who are lecturers and teachers of Psychological Medicine in the Universities or Medical Schools of the United Kingdom."
