POLICY

The *Law & Society Review* welcomes articles and research notes by lawyers, social scientists, and other scholars which bear on the relationship between law and the social sciences. The *Review* is published by the Law and Society Association, a nation-wide group, drawn primarily from the legal and social science professions, whose purpose is the stimulation and support of research and teaching on political, social, and economic aspects of the law.

MANUSCRIPTS

All manuscripts should be prepared in double-spaced typescript with ample (1½ inch) margins. Footnotes should also be double spaced, numbered sequentially, and appended to the end of the article. They should follow the guidelines set forth in the so-called "Blue Book," i.e., *A Uniform System of Citations,* which may be obtained from the Harvard Law Review Association, Gannett House, Cambridge, Massachusetts. We depart from the Blue Book, however, in including the author's initials.

All editorial material should be sent to
