Law & Society Review Condensed Style Sheet

Type manuscripts **double-spaced** on one side of the paper only. While manuscripts need not conform to this style sheet at the time of submission, all manuscripts must include an abstract, footnotes, and a list of references, and all accepted manuscripts must be revised by the authors to conform to the *Review*'s style. **The rules listed below supplement the manuscript information on the inside front cover of the** *Review.* Authors are urged to consult *Review* issues in volume 26 or later for further illustrations. A detailed style sheet is available from the Editorial Office.

1. **Abstracts.** All manuscripts should include an abstract of not more than 100 words. No abstracts are required for review essays or comments.
2. **Footnotes.** Footnotes should be numbered sequentially (except for the author's footnote) and printed on pages immediately following the text (not at the foot of the page). They should contain only substantive comments and additional references not immediately relevant to the text.
3. **Tables and Figures.** Tables should approximate the appearance of printed tables. Figures should be camera ready; provide originals, not xerographic copies. Tables and/or figures should be placed at the end of the text, after footnotes, appendixes, and references. Their location within the text should be indicated as follows:

   Table 1 about here

4. **Citations.** All notes that consist merely of supporting citations should be placed in parentheses in the text. For example:

   In a thoughtful essay, Hayden (1991) . . .

   OR

   Media stories often portray the civil jury as generous (Daniels & Martin 1986:236; Hans 1989: Huber 1988).

The same general rules apply to footnote text.

5. **References.** References are placed at the end of the manuscript following the footnotes. The list should contain only those sources actually cited in text or notes. Give authors' names as they appear in the original source. For more than one publication by the same author, list them in chronological order, with the older item first. For more than one publication in one year by the same author, use small (lower-case) letters to distinguish them (e.g., 1970a, 1970b).

   BOOKS: Last Name, First Name (year) Title of Book. City: Publisher.

   Example: Lerner, Melvin J. (1980) Belief in a Just World. New York: Plenum.

   CHAPTER IN EDITED VOLUME:

   Example: Glazer, Nathan (1979) ""The Judiciary and Social Policy,'' in L. Theberge, ed., The Judiciary in a Democratic Society. Lexington, MA: Lexington Books.

   ARTICLES: Last Name, First Name (Year) ""Title of Article,'' volume number Journal page numbers of article. (Give month or issue number if each issue is separately paginated.)

   Examples: Padgett, John F. (1990) ""Plea Bargaining in Prohibition,'' 24 Law & Society Rev. 413–50.

   Brill, Steven, & James Lyons ((1986) ""The Not-So-Simple Crisis,'' American Lawyer 12–15 (May).

   UNPUBLISHED PAPERS:

   Example: Lofquist, William S. (1991) ""The Development of Organizational Probation.'' Presented at American Society of Criminology annual meeting, San Francisco.

All cases cited in text are listed under ""Cases Cited'' following the References. All statutes cited are listed under ""Statutes Cited.'' For style for cases and statutes, see *A Uniform System of Citation.*

Gypsy Law
Romani Legal Traditions and Culture
Walter O. Weyrauch, Editor

This authoritative collection brings together leading Gypsy and non-Gypsy scholars to examine the Romani legal system, an autonomous body of law based on an oral tradition and existing alongside dominant national legal networks.
$60.00 cloth, $24.95 paper

Rebel and a Cause
Caryl Chessman and the Politics of the Death Penalty in Postwar California, 1948-1974
Theodore Hamm

Hamm uses the 1960 execution of Caryl Chessman as a lens for examining how politics and debates about criminal justice became a volatile mix that ignited postwar California. The effects of those years continue to be felt as the state's three-strikes law and expanding prison-construction program spark heated arguments over rehabilitation and punishment.

Deadliest Enemies
Law and the Making of Race Relations on and off Rosebud Reservation
Thomas Biolsi

This book examines the history of troubled relations on and around Rosebud Reservation in South Dakota over the last three decades and asks why Lakota Indians and whites living there became hostile to one another. Biolsi's important study traces the origins of racial tension between Native Americans and whites to federal laws themselves, showing how the courts have created opposing political interests along race lines.

Landmark Law Cases and American Society

Peter Charles Hoffer and N. E. H. Hull, series editors

Roe v. Wade

The Abortion Rights Controversy in American History

N. E. H. Hull and Peter Charles Hoffer

"Much more than a compact account of the Supreme Court's basic abortion decisions, this book ranges widely to locate the constitutional and political controversies over abortion in the context of social movements and women's history. An astute and balanced guide to a much-debated subject."—**Mark V. Tushnet**, author of *Abortion: Constitutional Issues*

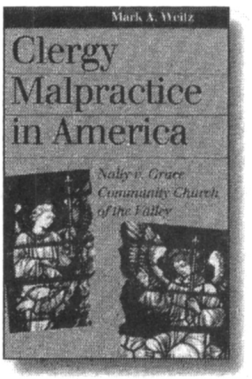

"Hull and Hoffer move from big-picture issues to key case details without ever losing sight of the very human side of American law and politics. Their book is a wonderful resource for students of all ages looking for basic information and important insights into one of the truly landmark law cases in our nation's history."—**Sarah Weddington**, author of *A Question of Choice*

328 pages, Cloth $35.00, Paper $15.95

Clergy Malpractice in America

Nally v. Grace Community Church of the Valley

Mark A. Weitz

"A fascinating and readable tale that should have broad appeal to lawyers, religious leaders, and scholars in both law and religion, as well as the general public."—**Derek H. Davis**, author of *Religion and the Continental Congress*

"As we move ever further in the direction of looking to 'faith-based institutions' to administer basic programs of the welfare state, the issues raised by Weitz—including whether church officials should be exempt from the same kind of liability that applies to secular professionals—will become ever more important."—**Sanford Levinson**, author of *Constitutional Faith*

216 pages, Cloth $25.00, Paper $12.95

A "humane, practical, and deeply reasonable"* wake-up call from one of the nation's leading legal scholars and political insiders.

"Engrossing...an important corrective to the notion that gender no longer matters and that competence is all. *Sex & Power* asks the important questions."
—*Boston Sunday Globe*

"A timely, original, and truly useful contribution.... Her voice is clear, yet nuanced."
—*Washington Monthly**

"What do women want? The answer...is obvious: everything. It's now high time, Susan Estrich argues, for women to demand just that. *Sex & Power* is ambitious ...full of inspirational vigor, and full of argumentative rigor, too."
—*The New York Times Book Review*
