EMPLOYMENT OPPORTUNITIES IN LINGUISTICS

In posting the job announcements below, we remind readers that job discrimination is illegal. The Linguistic Society of America thus retains the right to refuse or edit all discriminatory statements from copy sent to the Secretariat for publication in *Language* that are not in consonance with the principles of Title VII of the Civil Rights Act of 1964. The Executive Committee of the LSA hopes that all the job announcements will facilitate open hiring on the basis of merit to the advantage of all.

The LSA accepts listings from academic institutions under censure by the American Association of University Professors (AAUP). However, these listings are identified in this publication by (*) preceding position openings in order to advise applicants that the employing institution or its administration has been censured by the AAUP and that further information may be obtained on the situation from the AAUP.

UNIVERSITY OF TEXAS AT ARLINGTON: The Department of Linguistics and TESOL at The University of Texas at Arlington invites applications for two tenure-track positions at the rank of Assistant Professor, both beginning in Fall 2010: (1) Assistant Professor in Language Documentation with a secondary specialization in Syntax, and (2) Assistant Professor in Second Language Acquisition with the ability to contribute to our M.A. TESOL degree.

Candidates must hold an earned doctorate in linguistics or a related field, with college-level teaching experience and evidence of success and continued promise in publishing in this hiring area. ABD considered. Candidates with a successful track record in external grants are of particular interest. Longer job ads for each position appear at http://ling.uta.edu.

A letter of application explicitly stating which of our two positions you wish to be considered for and describing teaching and research interests, a current curriculum vitae, two writing samples, and three letters of reference from those most familiar with the applicant's work should be sent to: Language Documentation Search **OR** Second Language Acquisition Search, Department of Linguistics and TESOL, UT Arlington, Box 19559, Arlington, TX 76019-0559, or via email to linguistics@uta.edu. Consideration of applications will begin on November 30, 2009, and will continue until the position is filled. Preliminary interviews are planned for the 2010 LSA Annual Meeting in Baltimore. This is a security-sensitive position, and a criminal background check will be conducted on finalists. UT Arlington is an Equal Opportunity & Affirmative Action Employer.
