Announcements

HAGLEY MUSEUM AND LIBRARY GRANTS.

Hagley Exploratory Research Grants. These grants support one-week visits by scholars who believe that their project will benefit from Hagley research collections, but need the opportunity to explore them on-site to determine if a Henry Belin du Pont research grant application is warranted. Priority will be given to junior scholars with innovative projects that seek to expand on existing scholarship. Proposals must demonstrate which Hagley collections might be pertinent to the project. Applicants should reside more than 50 miles from Hagley, and the stipend is $400. Low-cost accommodations on Hagley's grounds are available on first-come, first serve basis. Researchers who use this housing are strongly encouraged to have a car available for transportation during their residency. Application deadlines: March 31, June 30, and October 31. For more information, please visit Hagley Library's Exploratory Research Grants page: https://www.hagley.org/exploratory-research-grants.

Henry Belin du Pont Research Grants. Henry Belin du Pont Research Grants enable scholars to pursue advanced research and study in the library, archival, pictorial, and artifact collections of the Hagley Museum and Library. They honor the memory of Henry Belin du Pont, a founding trustee and long-time supporter of Hagley, and are funded in part by the Henry Belin du Pont Memorial Fund which supports access to and use of Hagley's research collections. These grants are intended to support serious scholarly work that makes use of Hagley's research collections and expands on prior scholarship. Application materials should explain the research project's focus, methodology, engagement with existing scholarship, and the intended product, as well as Hagley collection(s) to be used during the proposed grant residency. Potential applicants are strongly encouraged to consult with Hagley staff prior to submitting their application. Research grants are awarded for the length of time needed to make use of Hagley collections for a specific project. The stipends are for a maximum of eight weeks and are pro-rated at $400/week for recipients who reside more than 50 miles from Hagley, and $200/week for those within 50 miles. Funded scholars are expected to participate in seminars which meet periodically, as well as attend noontime colloquia, lectures, and other public programs offered during their tenure. A research report is due one month after the end of the residency at Hagley. Low-cost accommodations on Hagley's grounds are available on first-come, first serve basis. Researchers who use this housing are strongly encouraged to have a car available for transportation during their residency.
