CORRECTIONS

On page 530 of Vol. 4, no. 4, the 5th sentence of the abstract by Gill et al. should read: "The thickest bentonite beds correlated well with linear heave features that were mapped via severely deformed pavements, and that paralleled bedrock strike throughout the subdivision."

On page 571 of Vol. 4, No. 4, Figures 1a and 1b of the article by Rosenberg and Hooper were reversed.
