Comparative Human Rights

edited by Richard P. Claude

"This extraordinarily insightful study seeks to bring the methods and findings of comparative study and policy science to bear upon the increasingly important problem of human rights. It deserves the attention of all who are concerned with clarifying and implementing a law of human dignity."—*Myres S. McDougal, Sterling Professor of Law, Emeritus, Yale University*

The first interdisciplinary work of its kind studies such topics as constitutional limitations on government, electoral rights, racial discrimination, and the right of the individual to legal aid, privacy, freedom of association, freedom of speech, problems of ethnic minorities, and the status of women and children. $16.50
