ANDREW R. HIGHSMITH is Assistant Professor of Public Administration at the University of Texas at San Antonio. His scholarship focuses on race relations and metropolitan development in modern American history. He is currently completing a book entitled *Demolition Means Progress: Flint, Michigan, and the Fate of the American Metropolis* for publication by the University of Chicago Press.

GRANT MADSEN is a Visiting Assistant Professor at Brigham Young University. His research considers political economy broadly with a focus on the way state and private finance support or undermine democratic institutions. His most recent work has considered these issues in the context of postwar Germany and Japan. His next project considers the way the insights gained in occupied Germany and Japan became central in American policymaking during the 1950s.
