Report of Council Proceedings

In the absence of the General Secretary, the Honorary Treasurer, Dr. Wilfred Warren read the following report:

At the Special Meeting of Council held on 16 December 1968, alterations to the proposed new Bye-laws were discussed. These have been dealt with by the Adjourned Annual Meeting which has just been held.

A second memorandum, on the financial and administrative aspects of the Report of the Royal Commission on Medical Education, was approved and will be published in the Journal. A memorandum of comments on the Report of the Working Party on Psychologists (Summerfield) was approved. A memorandum of evidence, prepared by the Parliamentary Committee on Nullity of Marriage, was approved for submission to the Law Commission.

At the meeting of Council held yesterday it was reported that representatives of the Association would be giving oral evidence to the Home Office Working Party on Habitual Drunken Offenders.

Draft audited accounts for 1968 were approved by Council, and these will be published in the Annual Report. It was noted that the income of the Association for the year was £34,213, expenditure was £32,308 and there was a surplus of £1,905. The Journal account showed a deficit of £8,839, including the cost of the journals distributed to the membership. Investments stood in the accounts on 31 December, 1968 at £51,813; market value £70,880. During the year there was a rise in income of nearly £4,000 but expenditure has gone up by nearly £7,000. The net cost of the Journal has increased by approximately £2,500. Market value of shares has gone up by £9,000.

The Editor in Chief reported on the success of the Special Publications. No. 3, the W.P.A. Symposium on Anxiety, is now available.

The Registrar reported another very successful Maudsley Bequest lecture course, and Council thanked him for his continued brilliant success.

The Papers and Discussions Committee reported on the arrangements for the Spring Quarterly Meeting which will be held in Dublin in May. The Psychotherapy and Social Psychiatry Section and the Research and Clinical Section are helping with the arrangements for the Seminars, and the Irish Division with the Papers sessions. Now that the name of the President-Elect is known, urgent attention is being given to the scientific programme for the Annual Meeting.

A Special Committee has been set up to prepare evidence for the Government Committee on the use and misuse of amphetamine substances and LSD.

Urgent attention has been given to the preparation of comments on the Report of the Seebohm Committee. A first memorandum was approved and submitted in December, and a second memorandum was approved yesterday and is now on its way as a matter of urgency.
