PUBLICATIONS

of the

Linguistic Society of America

LANGUAGE, the journal of the Linguistic Society of America, carries technical articles dealing with problems of linguistic science, reviews of recently published linguistic works, and notes of interest to professional linguists.

As supplements to LANGUAGE, the Linguistic Society of America issues two series of occasional publications, LANGUAGE MONOGRAPHS and LANGUAGE DISSERTATIONS. These are included in the subscription price of the journal, but may also be purchased separately. In the LANGUAGE MONOGRAPH series, the Society publishes independently subsidized studies which are too long to appear as articles or are otherwise unsuitable for publication in the journal. In the LANGUAGE DISSERTATION series, the Society publishes independently subsidized studies which have been accepted by American or foreign universities as doctoral dissertations, provided that they treat linguistic problems. The Society assumes no responsibility for the scholarly merit of these dissertations. The method of application for admission to either of these two series of supplements, and the terms of publication, may be secured from the Secretary of the Society.

SPECIAL PUBLICATIONS in the field of linguistic science are issued by the Society from time to time. These are not included in the subscription price of the journal.

A list of publications in print is available from the Secretary of the Society. Current prices for LANGUAGE are as follows: Complete volumes 1–28, $5.00, vols. 29–44, $8.00, vol. 45 onward, $16.00; single numbers from vols. 1–28, $1.75; vols. 29–44, $3.00; vol. 45 onward, 6.00. Reprint editions of volumes 1–30 of LANGUAGE, Monographs 1–21, and Dissertations 1–52 are available from Kraus Reprint Corporation, 16 East 46th Street, New York, N.Y. 10017, and a price list can be obtained from that address.
