Subscriptions: *Econometric Theory* (ISSN 0266-4666) is published bimonthly by Cambridge University Press, 32 Avenue of the Americas, New York, NY 10013-2473 / Cambridge University Press, The Edinburgh Building, Shaftesbury Road, Cambridge CB2 2RU, UK.

Rates for 2010: Institutions, print plus online, US $795.00 in the US, Canada, and Mexico; UK £459.00 + VAT elsewhere. Institutions, online only: US $675.00 in the US, Canada, and Mexico; UK £389.00 + VAT elsewhere. Individuals, print plus online: US $246.00 in the US, Canada, and Mexico; UK £144.00 + VAT elsewhere (prepayment by personal check or credit card only). Single parts: US $130.00 (£80.00 + VAT). Prices include postage and insurance; air mail or registered mail extra. Back volume prices upon request.

Institutional orders may be sent to a bookseller, subscription agent, or directly to Cambridge University Press, 100 Brook Hill Drive, West Nyack, NY 10994-2133, or outside the U.S.A., Canada, and Mexico to Cambridge University Press, The Edinburgh Building, Shaftesbury Road, Cambridge CB2 2RU, England. Claims for missing issues should be made immediately after receipt of the next issue.

Special student rate: $96.00 (£58.00). Proof of student status must accompany your order.

This journal is part of the Cambridge Journals Online service. Access to online tables of contents and article abstracts is available to all researchers at no cost. Institutional subscribers: Access to full-text articles online is currently included with the cost of the print subscription. Subscriptions must be activated; see http://www.journals.cambridge.org for details.
