Announcement

Most Fellows will be aware that for many years it has been the Society's practice to publish our Annual Report, Accounts and the speeches made by the President and Treasurer at our Anniversary General Meeting in the autumn issue of the Journal. From now on we will be publishing this material on our website. www.royalasiaticsociety.org and a printed version will be made available in the Society's library for Fellows to consult if they wish. This will be accumulative so that in years to come we will create both an electronic archive and a hardcopy archive of this material. Fellows can also apply for a printed copy to be sent to them at their home address if necessary.
