Directory of Useful Addresses

This directory lists addresses useful to MLA members in their scholarly and professional activities. Acronyms are given in brackets following the full names of organizations. Learned and professional societies and book publishers (including university presses) known to be interested in books on language and literature are included. Journals and periodicals are not listed; readers should consult the MLA Directory of Periodicals: A Guide to Journals and Series in Languages and Literatures*, which is available from the member and customer services office of the MLA. The information was updated in late spring 2003. The list is not comprehensive.*
