For years you've protected your patients from infectious disease.

Now there's extra protection for your staff.

The threat of contamination from infectious disease increases daily. To help you safeguard your staff, General Medical presents its line of Personnel Protection Products. Hundreds of items for clinical, procedural and emergency situations, from coveralls to gowns... splash protection goggles to bootcovers...sharps containers to an AIDS contamination kit.

Provide your staff with extra protection. Provide General Medical's Personnel Protection Products.

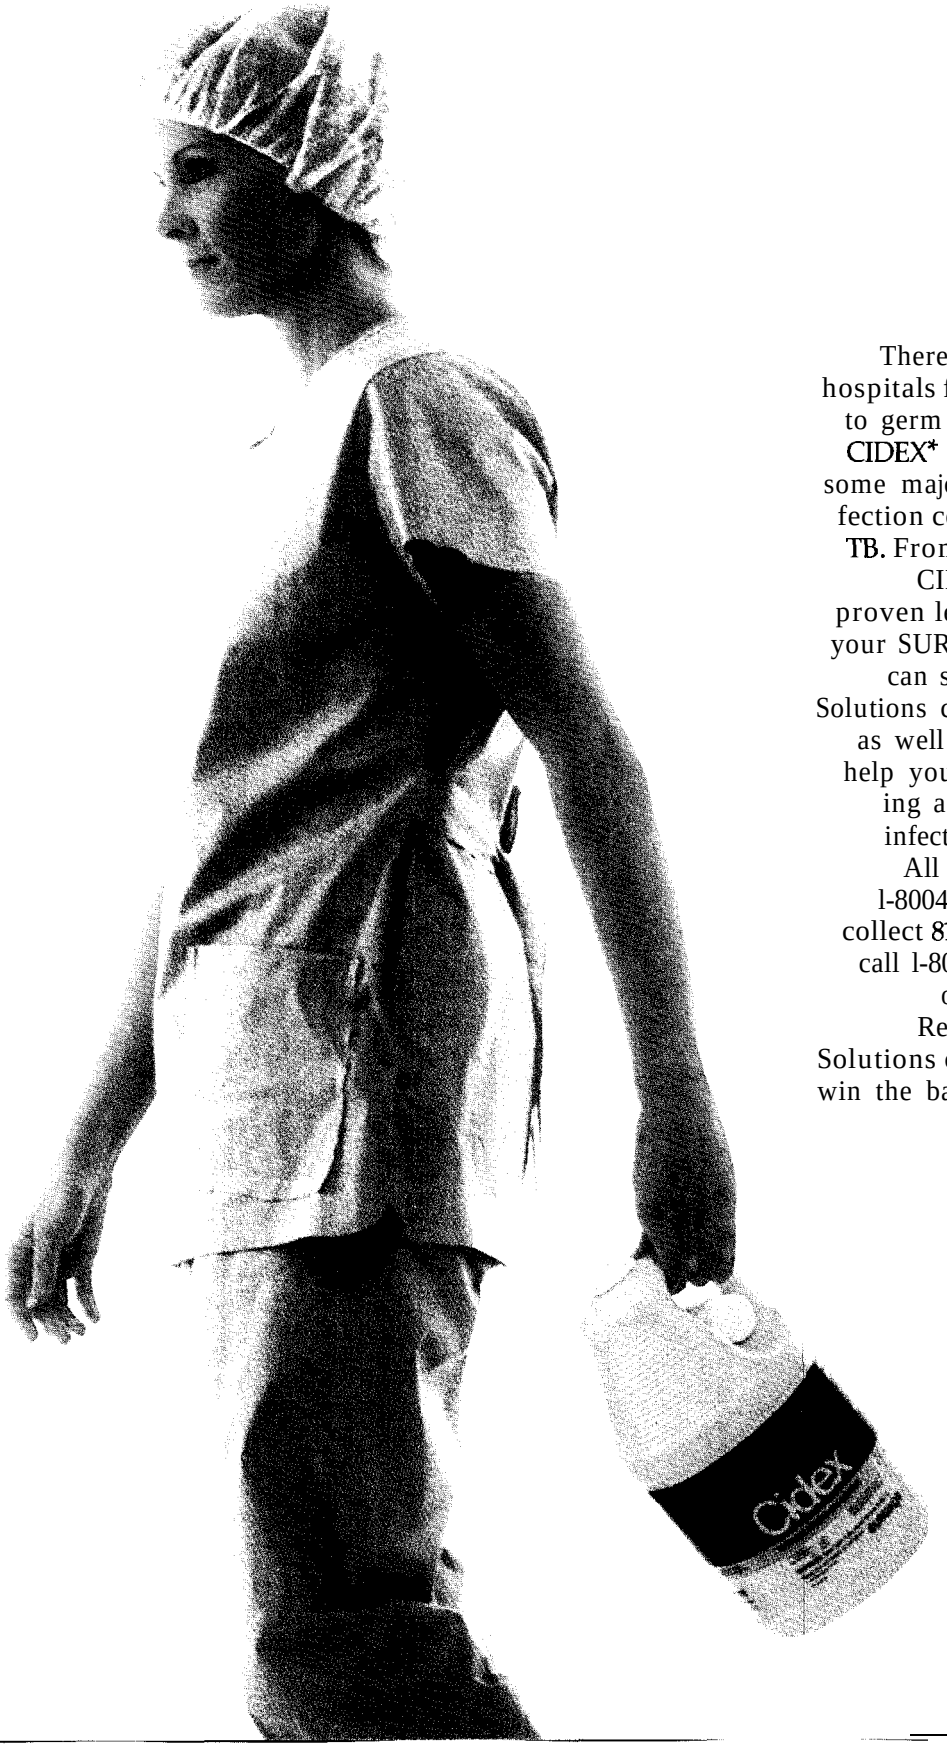

Ask your General Medical representative for our free catalog of Personnel Protection Products. For the phone number of your nearest General Medical location call toll free, 1-800-446-3008. In Virginia call collect (804) 780-2653.

For two decades we've been conducting germwarfare.

There's no room in today's hospitals for cost overruns due to germ infection. That's why CIDEX* Solutions are tackling some major problems facing infection control. From staph to TB. From herpes to influenza. CIDEX Solutions are the proven leader in asepsis. And your SURGIKOS representative can show you how CIDEX Solutions can help control costs as well as infections. We can help you with in-service training and- information about infection control problems. All you have to do is call l-800433-5009. In Texas, call collect 817/467-3555. In Canada, call l-800461-7664. In Ontario only, call l-800461-7693. Remember, with CIDEX Solutions on your side, you can win the battle against infections.
