Religious Studies special number

In 2007 the journal plans to publish the first of a series of special numbers on selected themes in the philosophy of religion.

The topic for the first of these special numbers will be: Non-theistic conceptions of deity. Papers are invited on such viewpoints as Pantheism, Panentheism, and Absolute Idealism. Papers will also be welcome on particular thinkers, or groups of thinkers, who advance non-theistic conceptions of deity, e.g. the Stoics.

Papers will be subject to blind refereeing in the normal way. They should not exceed the journal's word limit and should be submitted to the Editor in hard copy. Three copies are required, two of which should be anonymized.

The deadline for the submission of papers is 1 September 2006.
