The Politics of Commonwealth

Citizens and Freemen in Early Modern England

The Politics of Commonwealth offers a major reinterpretation of urban political culture in England during the sixteenth and seventeenth centuries. Examining what it meant to be a freeman and citizen in early modern England, it also shows the increasingly pivotal place of cities and boroughs within the national polity. It considers the practices that constituted urban citizenship as well as its impact on the economic, patriarchal, and religious life of towns and the larger commonwealth. The author recovers the language and concepts used at the time, whether by eminent citizens or more humble tradesmen and craftsmen. Unprecedented in terms of the range of its sources and freshness of its approach, the book reveals a dimension of early modern culture that has major implications for how we understand the English state, economy, and 'public sphere'; the political upheavals of the mid-seventeenth century; and popular political participation more generally.

PHIL WITHINGTON is Lecturer in Cultural History at the University of Aberdeen. He is the co-editor of *Communities in Early Modern England* (2000).

Cambridge Social and Cultural Histories

Series editors:

Margot C. Finn, *University of Warwick*
Colin Jones, *University of Warwick*
Keith Wrightson, *Yale University*

New cultural histories have recently expanded the parameters (and enriched the methodologies) of social history. Cambridge Social and Cultural Histories recognises the plurality of current approaches to social and cultural history as distinctive points of entry into a common explanatory project. Open to innovative and interdisciplinary work, regardless of its chronological or geographical location, the series encompasses a broad range of histories of social relationships and of the cultures that inform them and lend them meaning. Historical anthropology, historical sociology, comparative history, gender history, and historicist literary studies – among other subjects – all fall within the remit of Cambridge Social and Cultural Histories.

Titles in the series include:

1 Margot C. Finn *The Character of Credit: Personal Debt in English Culture, 1740–1914*
ISBN 0 521 82342 0
2 M. J. D. Roberts *Making English Morals: Voluntary Association and Moral Reform in England, 1787–1886*
ISBN 0 521 83389 2
3 Karen Harvey *Reading Sex in the Eighteenth Century: Bodies and Gender in English Erotic Culture*
ISBN 0 521 82235 1
4 Phil Withington *The Politics of Commonwealth: Citizens and Freemen in Early Modern England*
ISBN 0 521 82687 X
