15.3 National differences in interest group involvement in preliminary reference cases. 304
15.4 Types of interest groups involved in preliminary reference cases. 305
15.5 What are the vehicles of European integration? Types of actors linked to restrictions in national autonomy. 310
15.6 The probability of a case commentary in the *Common Market Law Review* as a function of the type of litigants involved. 315
16.1 CJEU judgments by procedure. 324
16.2 Number of referrals 1978–2024. 335
16.3 Type of act infringed. 336
16.4 New legislative acts. 337
16.5 Old and new Member States. 339
16.6 Individual Member States. 340
16.7 Policy areas. 341
18.1 SCA scholarship per year. 370
18.2 Type of coded legal text in the database. 371
18.3 Number of coded cases per study. 372
18.4 Areas of EU law. 373
18.5 Authors' affiliation. 374
19.1 Case citation network of the ECtHR's migration law jurisprudence. 393
19.2 Comparative analysis of recognition rates of asylum decision-makers. 400
