Abstract

The following is a list of learning and research resources on topics that are central to this themed section, namely the male-breadwinner and adult worker models, and their alternatives; intersectionality; the views of employers and workplace culture; the role and influence of informal care; and the tendency toward dualisation.

Keywords: Dualisation; employer views and workplace culture; intersectionality; informal care; male-breadwinner, adult worker models and alternatives

Critiques of the male-breadwinner and adult worker models, and alternatives to them

Crompton, R. (ed.) (1999) *Restructuring Gender Relations and Employment: The Decline of the Male Breadwinner*, Oxford: Oxford University Press.

Daly, M. (2011) 'What adult worker model? A critical look at recent social policy reform in Europe from a gender and family perspective', *Social Politics*, **18**, 1, 1–23.

Hantrais, L. (2004) *Family Policy Matters*, Bristol: Policy Press.
