INFORMATION FOR CONTRIBUTORS

The editors are pleased to receive manuscripts for publication in *Africa Bibliography, Research and Documentation*. For detailed submission instructions, see cambridge.org/core/journals/africa-bibliography-research-and-documentation/information/instructions-contributors.

Launched in 2022, *Africa Bibliography, Research and Documentation* brings together essay content from *Africa Bibliography*, the authoritative guide to works in African studies published under the auspices of the International African Institute annually since 1984, with the former *African Research & Documentation*, the journal of SCOLMA (the UK Libraries and Archives Group on Africa) published since 1973.

SCOLMA (the UK Libraries & Archives Group on Africa) was founded in 1962 as a forum for librarians, archivists and others concerned with African Studies materials in the United Kingdom. In addition to publishing *Africa Bibliography, Research and Documentation* in collaboration with the IAI, SCOLMA organizes conferences and seminars, networks with colleagues in Africa, Europe and the USA and acts as an expert body providing specialist advice.

Africa Bibliography, Research and Documentation is provided as part of a subscription to the *Africa Bibliography*. From 2022, the bibliography is being published as an online database only. The online consolidated database version of the bibliography brings together every record collected since its foundation, producing a rich and interactive resource for all scholars interested in the study of Africa, with some 6,000-8,000 entries are added annually.

Manuscripts should not exceed 8,000 words (excluding bibliography and notes). Manuscripts should be sent via email as a Word file to the editor Terry Barringer: abrd@internationalafricaninstitute.org

Africa Bibliography Research and Documentation is published by Cambridge University Press for the International African Institute.
