ERRATUM

Reynolds, M. & Wells, A. (1999). The Thought Control Questionnaire – psychometric properties in a clinical sample, and relationships with PTSD and depression. *Psychological Medicine* **29**, 1089–1099. On page 1089, the final sentence of the Abstract should read 'Hierarchical regression analysis showed distraction, punishment and reappraisal control strategies predicted depression scores in depressed patients while use of distraction predicted depression in PTSD patients'.
