Meetings Open to the Public

Each meeting at the convention has been assigned a number, roughly corresponding to the order in which the meetings occur. In these lists, the numbers in parentheses refer to the meeting numbers within the chronological listing in the Program (meetings 1–108 take place on Sunday, 27 Dec.; meetings 109–356 take place on Monday, 28 Dec.; meetings 357–611 take place on Tuesday, 29 Dec.; and meetings 611A–767 take place on Wednesday, 30 Dec.).

Forums and special events are open to registrants and nonregistrants alike; in addition, the Executive Council has voted to select a number of more specialized meetings that will be open to the general public (registrants and nonregistrants are welcome to attend). Because of the demand for space, other meetings are not open to nonregistrants.
