LIST OF HONORARY FELLOWS AND FELLOWS

[*Note:* This list is intended to be correct as at 1 December 1972. It includes both Foundation Fellows and those elected since the inception of the College. It is, however, necessarily incomplete, as a number of appeals for Foundation Fellowship are still outstanding. It is also subject to corrections that may be necessary to conform to the Bye-Laws (II, 2; III, 7; IV, 3). A full and correct list will be included in the first Yearbook of the College, which it is hoped to publish in 1973.

It will be noted that a number of Honorary Fellows are also Fellows in their own right, and their names therefore appear under both headings.]
