The Bedford Anthology of American Literature

Second Edition

Susan Belasco, *University of Nebraska-Lincoln* and **Linck Johnson**, *Colgate University*

Not simply a collection of texts but a carefully crafted tool for teaching and learning, *The Bedford Anthology of American Literature* helps students read, appreciate, and understand American literature like no other anthology. The editors—as committed to their teaching as to their scholarship—have assembled a representative and diverse selection of literary texts, along with a matchless illustration program that provides a visual narrative of American literature. Their innovative editorial features not only contextualize the literature but also help make it relevant for students. The second edition includes a wider range of literature, a greater emphasis on complete works, and new options for assigning novels in print or electronic formats.

"This anthology is exceptional. *The Bedford Anthology* has two major advantages: a realistic balance of texts that acknowledges the frequent practice of assigning novels and autobiographies in full, and an incredibly fruitful, focused approach guided by questions of print culture and its attendant questions of authorship, circulation, and reception of literary texts."

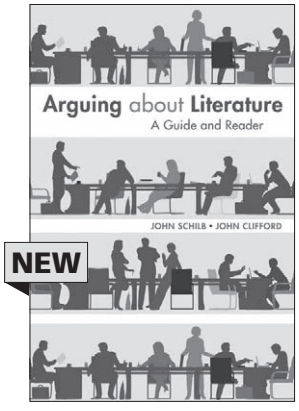

—Matt Cohen, *University of Texas at Austin*

THE SCHOOL OF CRITICISM & THEORY at Cornell University

An international program of study with leading figures in critical theory

invites you to apply for its 2014 Summer Session, June 15 - July 25

IN NEW YORK STATE'S FINGER LAKES REGION

"One of the most enriching intellectual experiences of my academic life."
Karine Côté-Boucher, York University

"This summer odyssey transformed not only many ideas I previously had about theory and criticism, but also the very experience of being an academic."
Katarzyna Bojarska, Polish Academy of Sciences

"In this community of critics, away from the familiar ecology of one's home institution, one is offered new ways of seeing, new questions, new connections."
David Russell, Princeton University

"At SCT the exposure to learning is absolutely open and continuous."
Stefano Selenu, Brown University

"At SCT there is a spirit of lively, respectful exchange, serious commitment to critical dialogue, and actual interest in listening to others."
Lynda Paul, Yale University

"Our classroom was a rich mosaic of heterogeneous disciplinary backgrounds and interests."
Alicia Garcia, Johns Hopkins University

The Program
In an intensive six-week course of study, participants from around the world, across disciplines in the humanities and social sciences, explore recent developments in critical theory.

Tuition
The fee for the session is $2700. Applicants are eligible to compete for partial tuition scholarships and are urged to seek funding from their home institutions.

Admission
We welcome applications from faculty members and advanced graduate students at universities worldwide. Applications must be submitted online by February 1, and admissions decisions are announced in March.

An Essay on the Original of Literature

Daniel Defoe

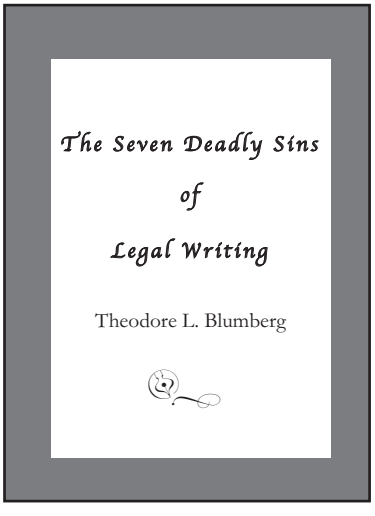

The young Daniel Defoe thought he was destined to become a Presbyterian minister. Instead, he became a man of letters: poet, political journalist, economic essayist, novelist. His *Essay on the Original of Literature* is a writer's glorification of the invention and craft of literature, radically understood.

The Seven Deadly Sins of Legal Writing

Theodore L. Blumberg

A supremely cogent guide to good legal writing. Blumberg not only provides a sleek typology of the profession's most common literary sins; he explores the motivations behind them. At once witty and exhilarating, *The Seven Deadly Sins of Legal Writing* will change the way lawyers and scholars do business.

Transformation Now!

Toward a Post-Oppositional Politics of Change

ANALOUISE KEATING

In this lively, thought-provoking study, AnaLouise Keating writes in the traditions of radical U.S. women-of-color feminist/womanist thought and queer studies, inviting us to transform how we think about identity, difference, social justice and social change, metaphysics, reading, and teaching. Keating develops transformative modes of engagement that move through oppositional approaches to embrace interconnectivity as a framework for identity formation, theorizing, social change, and the possibility of planetary citizenship.

AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS

"A magnificent document. It provides faculty, journalists, scientists, and policy makers with the information they need to confront and analyze this increasingly important problem . . . , and to assure that long standing concerns for academic freedom, ethical integrity, and the traditional values of the university will have a fighting chance throughout the United States."—Gerald Markowitz, Distinguished Professor of History, John Jay College of Criminal Justice

Paperback $24.95; Ebook

Wampum and the Origins of American Money

MARC SHELL

Wampum itself, generally tubular beads made from clam or conch shells, was hardly a primitive version of a coin or dollar bill, as it represented to both Native Americans and colonial Europeans a unique medium through which language, art, culture, and even conflict were negotiated. With irrepressible wit and erudition, Shell interweaves wampum's multiform functions and reveals wampum's undeniable influence on the cultural, political, and economic foundations of North America.

MADE FLESH
Sacrament and Poetics in Post-Reformation England
Kimberly Johnson

"With great energy and insight, Kimberly Johnson shows how both seventeenth-century poetry and Eucharistic theology were steeped in performative language. *Made Flesh* makes a real and lasting contribution to early modern studies, and to the study of poetic language in general."
—Michael Schoenfeldt, University of Michigan

CONFESSIONS OF FAITH IN EARLY MODERN ENGLAND
Brooke Conti

"Brooke Conti's claims are fresh, insightful, and important. *Confessions of Faith in Early Modern England* allows us to see these texts in a new way, and as connected to the larger issue of trying to write about one's private religion in a period when religion was public, and one's relation to the state religion was a matter of importance, fraught with danger."

PAPER SOVEREIGNS
Anglo-Native Treaties and the Law of Nations, 1604–1664
Jeffrey Glover

"A nuanced narrative of Anglo-Native interactions in the early years of British colonialism. Jeffrey Glover crafts a persuasive story that draws on much of the best historical work, and rigorously avoids romanticizing (or demonizing) any of the involved parties, showing how indigenous leaders used the tools and strategies available to them to advance their individual and communal interests."

RIVAL QUEENS
Actresses, Performance, and the Eighteenth-Century British Theater
Felicity Nussbaum

"A pleasure to read, with a deft balance of anecdote and theory, statistical data and narrative. Nussbaum, an acknowledged expert on gender and literature in the long eighteenth century, demonstrates her facility with eighteenth-century theater as well. The book will certainly appeal to feminists, theater historians, and scholars looking for nuanced histories of acting."—*Theater Survey*

New Textbooks from Bloomsbury

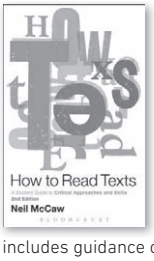

English in Practice SECOND EDITION
In Pursuit of English Studies
Peter Barry

Fully revised and updated, this new edition of *English in Practice* continues to be an essential practical guide to studying English at University. It is for all those who are about to embark on an English degree or are in the midst of completing one, and for those who want to re-engage with their reasons for teaching it. The second edition now includes new chapters offering practical advice on writing undergraduate dissertations and on taking your studies beyond undergraduate level.

How to Read Texts SECOND EDITION
A Student Guide to Critical Approaches and Skills
Neil McCaw

This jargon-free text introduces students to key critical approaches to literary texts and offers a practical introduction for students developing their own critical and close-reading skills. The new edition now includes guidance on analyzing a range of multi-media texts, including film and online media as well as the purely literary. In addition to new practical examples, readings, exercises and "checkpoints" that help students to build confidence in their own critical readings of both primary and secondary texts, the book now also offers guidance on writing fully-formed critical essays and tips for independent research.

The Science Fiction Handbook
Edited by Nick Hubble and Aris Mousoutzanis

The Science Fiction Handbook provides a comprehensive guide to the genre and how to study it for students new to the field. In particular, it provides detailed entries on major writers in the SF field who might be encountered on university-level English Literature courses, ranging from H.G. Wells and Philip K. Dick, to Doris Lessing and Geoff Ryman. Features include an historical timeline, encyclopedia-style entries on key writers, critics and critical terms, case studies of both literary and critical works, discussion points, and study questions.

Dictionary of Untranslatables

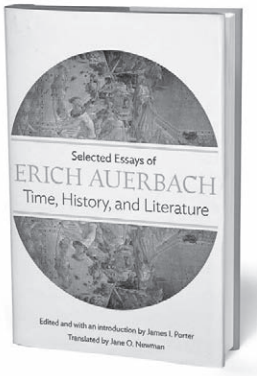

A Philosophical Lexicon

Edited by Barbara Cassin

Translation edited by Emily Apter, Jacques Lezra & Michael Wood

This is an encyclopedic dictionary of close to 400 important philosophical, literary, and political terms and concepts that defy easy—or any—translation from one language and culture to another. Drawn from more than a dozen languages, terms such as *Dasein* (German), *pravda* (Russian), *saudade* (Portuguese), and *stato* (Italian) are thoroughly examined in all their cross-linguistic and cross-cultural complexities.

Cloth $65.00 978-0-691-13870-1

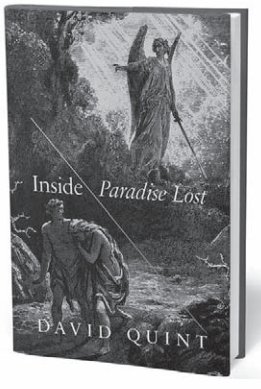

Time, History, and Literature

Selected Essays of Erich Auerbach

Edited and with an introduction by James I. Porter and translated by Jane O. Newman

"The brilliant, innovative, and eminently sophisticated essays in this vitally important and long-overdue book demonstrate not only the breadth of Auerbach's erudition, but also the continued relevance of his work for literary scholars today. A stunning achievement."
—John Hamilton, Harvard University

Cloth $39.50 978-0-691-13711-7

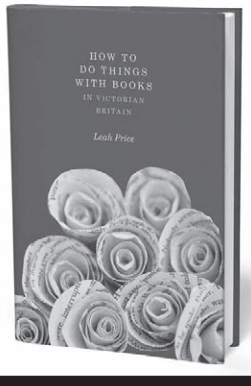

Inside *Paradise Lost*

Reading the Designs of Milton's Epic

David Quint

"This magisterial study combines massive erudition with great interpretive subtlety. Written with lucidity and wit, *Inside 'Paradise Lost'* provides an indispensable revisionary account of the Miltonic epic's relation to its epic predecessors and to literary tradition more generally."
—Joshua Scodel, University of Chicago
