ADDENDUM

Development of nuclear microsatellite markers in Stizophyllum (Bignoniaceae) using next-generation sequencing – ADDENDUM

Maila Beyer, Alison Gonçalvez Nazareno and Lúcia G. Lohmann

https://doi.org/10.1017/S1479262119000108, Published by Cambridge University Press, 5 April 2019

Keywords: cross-amplification, genetic diversity, Stizophyllum inaequilaterum, Stizophyllum perforatum

When originally published, the article by Beyer et al, did not include the ORCID iD for Alison Gonçalvez Nazareno and Lúcia G. Lohmann. Alison Gonçalvez Nazareno's ORCID is 0000-0001-9681-5877 and Lúcia G. Lohmann's is 0000-0003-4960-0587. This has been updated in the original online version.
