ANNOUNCEMENT

CALL FOR PAPERS

33RD EUROPEAN CONFERENCE ON MATHEMATICAL PSYCHOLOGY (EMPG2002)

BREMEN, GERMANY, AUGUST 21–24, 2002

The 33^{rd} European Mathematical Psychology Group Meeting (EMPG) will be held at the *International University Bremen*, Bremen, Germany, August 21–24 (Wednesday–Saturday). The program committee is composed of Adele Diederich (International University Bremen) and Hans Colonius (University of Oldenburg).

Papers on topics from any area of mathematical psychology may be submitted for oral presentation or as a poster. Presentation time for each paper will be limited to 25 min including 5 min for discussion. Any one person may present only one paper but may be a coauthor of other papers, or may be an invited speaker or symposium participant. We welcome suggestions for symposia in any area of special interest.

Abstracts (less than 250 words) of papers to be presented and requests for registration must be received by ***May 15, 2002.***

Abstract submissions and registration requests will be available via the conference website http://www.iu-bremen.de/ecmp2002. For further information please contact:
