PROFESSIONAL TENNIS AND TRANSNATIONAL LAW

This book examines the intersection of professional tennis and legal regulation, unveiling a fascinating world where tennis meets domestic, international and transnational law, and showing the many ways these legal frameworks impact tennis. Filled with firsthand accounts of the legal landscape and its implication on tennis, the work provides an accessible, engaging portrait of the tennis ecosystem that is equally suited for academics, athletes, sports lawyers and journalists. It is an essential read for those working within sports law generally, and the tennis industry specifically. This title is also available as Open Access on Cambridge Core.

ILIAS BANTEKAS is Professor of Transnational Law at Hamad bin Khalifa University (a member of Qatar Foundation) and Adjunct Professor at Georgetown University. He has advised in the field of sports contracts, international law and human rights as part of his professional practice, and served as arbitrator chiefly in international commercial disputes. He has authored 22 books and close to 250 peer-reviewed articles.

MARKO BEGOVIĆ is Associate Professor of Sport History, and Sport Management at Molde University College in Norway. In 2022, he served as Director in charge of sport and youth affairs with the Government of Montenegro and is currently Program Director of the Sports Diplomacy Program at the Hungarian University and member of the UNESCO Chair on Governance and Social Responsibility.
