A Web Site in Progress

Visitors to the program's web site, <www.cfpnet.org>, will notice some improvements, thanks to the hard work of fellowship staff. In addition to a streamlined presentation of application procedures, viewers will find expanded information on the program itself, from office assignments and the general fellowship experience, to various enrichment opportunities offered, such as the Orientation, the Wilson Seminar Series, the District Trip, the Annapolis Seminar, and the Canadian Parliamentary Exchange. Current Fellows will find helpful items like the CFP travel policy and the outlined terms and responsibilities of the fellowship, while others will surely find the list of recommended reading of interest.

We are most excited about the creation of an area devoted exclusively to program alumni. Visitors will find a listing of every Fellow by year and by type. Additionally, we are in the process of posting office assignments by Member of Congress. It is an ongoing process and all the data must be entered by hand, so we beg your patience. Nonetheless, we hope to have completed the project by the time of publication.

Finally, as always, the fellowship staff continues to seek updates on the whereabouts and accomplishments of former Fellows. Alumni listservs have already allowed some classes to keep in touch via email. If you suspect your contact information may be out of date, we urge you to visit <http://www.apsanet.org/about/cfp/update.cfm>. This will also allow us to send you periodic updates, as well as invite you to alumni receptions. Alternately, you may send your name, fellowship year, address, phone number, and email addresses to either <cfp@apsanet.org> or to APSA Congressional Fellowship Program, 1527 New Hampshire Avenue NW, Washington, DC 20036.

The Congressional Fellowship Program continues to benefit from the generosity of MCI, Inc., Congressional Quarterly, Inc., the John S. and James L. Knight Foundation, the William E. Steiger trust, and the annual contributions of program alumni. As in the past, contributions of $50 or more will land you a mug, and we are pleased to announce a handsome 50th Anniversary mug. To obtain a copy of the fellowship's history, A Congress of Fellows, please contact the staff at <cfp@apsanet.org>.
