The Art of Riot

By Ronald Paulson

The Art of Riot makes an original contribution to our knowledge of riot in the English-speaking world of the past three centuries.

'Vintage Paulson: wide-ranging, erudite and full of provocative insight, *The Art of Riot* ranges magisterially from William Hogarth to Ralph Steadman and from Henry Fielding to Norman Mailer. Encompassing Britain, India, and North America, it combines literary and visual analysis of the highest quality with an enviable knowledge of their contexts'.

—John Brewer, Cal Tech

'*The Art of Riot* lives and breathes Ronald Paulson's capacious sense of history in action. Crowds, festivals, and riots flow together and apart in paradoxical patterns. Politics, high and low, frame Paulson's richly textured readings of art from Hogarth to Ensor and fiction from Fielding to Mailer. Riot in Paulson's hands becomes a profound aesthetic form.

—John Bender, Stanford U
