The meeting considered a lengthy communication from the Hon. Secretary, Parliamentary Committee of the Association, requesting the opinion of the Irish Division as regards the proposed amendments to the Ayslum Officers' Superannuation Act. The members carefully considered the proposed amendments and after a great deal of discussion the Hon. Sectretary was directed to impress upon the Parliamentary Committee that they generally approved of the proposed amendments, but having regard to the fact that Dr. M. J. Nolan, of Downpatrick (whose knowledge and experience of this Act is so well known), was unable to be present it was considered wise to ask his opinion and advice on them and a further communication would be forwarded in due course.

Letters of condolence were ordered to be forwarded to Mrs. Colles, Mrs. Forde and Dr. T. A. Greene expressing to them the sympathy of the members of the Irish Division in their recent bereavements.

A vote of thanks was proposed by Dr. F. E. RAINSFORD, and seconded and passed by acclamation, thanking Dr. Leeper for his hospitality in entertaining the Division. Dr. LEEPER having replied and stated that it would always be a great pleasure for him to see the Irish Division at St. Patrick's Hospital whenever thay cared to come.

The proceedings then terminated.
