A self-aligning microtensile setup: Application to single-crystal GaAs microscale tension–compression asymmetry- CORRIGENDUM

Daniele Casari, Laszlo Pethö, Patrik Schürch, Xavier Maeder, Laetitia Philippe, Johann Michler, Philippe Zysset, Jakob Schwiedrzik

doi: https://doi.org/10.1557/jmr.2019.183, Published by Materials Research Society, 07 June 2019.

In regards to the original publication of this article [1], the authors would like to correct the following:

1. In Figure 2(a), the displayed equation should be "$y = 1.106x^{-0.0425}$".
2. In Equation (11), the term "*fspecimen*" should be placed at the denominator, after 0.398.
