ACKNOWLEDGMENT

2002 Referees

Econometric Theory acknowledges the services of the following persons who acted as referees for the Journal during 2002. The quality of the final research product that appears in each issue of the Journal owes much to the specialist knowledge and painstaking, silent contributions of our referees. The Editor, Co-Editors, and Cambridge University Press thank all our referees for their services and apologize if the following list is in any way incomplete.

Karim Abadir
