Law & Society Review Condensed Style Sheet

Type manuscripts **double-spaced** on one side of the paper only. While manuscripts need not conform to this style sheet at the time of submission, all manuscripts must include an abstract, footnotes, and a list of references, and all accepted manuscripts must be revised by the authors to conform to the *Review*'s style. **The rules listed below supplement the manuscript information on the inside front cover of the** *Review.* Authors are urged to consult *Review* issues in volume 26 or later for further illustrations. A detailed style sheet is available from the Editorial Office.

1. **Abstracts.** All manuscripts should include an abstract of not more than 100 words. No abstracts are required for review essays or comments.
2. **Footnotes.** Footnotes should be numbered sequentially (except for the author's footnote) and printed on pages immediately following the text (not at the foot of the page). They should contain only substantive comments and additional references not immediately relevant to the text.
3. **Tables and Figures.** Tables should approximate the appearance of printed tables. Figures should be camera ready; provide originals, not xerographic copies. Tables and/or figures should be placed at the end of the text, after footnotes, appendixes, and references. Their location within the text should be indicated as follows:

   Table 1 about here

4. **Citations.** All notes that consist merely of supporting citations should be placed in parentheses in the text. For example:

   In a thoughtful essay, Hayden (1991) . . .

   OR

   Media stories often portray the civil jury as generous (Daniels & Martin 1986:236; Hans 1989: Huber 1988).

The same general rules apply to footnote text.

5. **References.** References are placed at the end of the manuscript following the footnotes. The list should contain only those sources actually cited in text or notes. Give authors' names as they appear in the original source. For more than one publication by the same author, list them in chronological order, with the older item first. For more than one publication in one year by the same author, use small (lower-case) letters to distinguish them (e.g., 1970a, 1970b).

   BOOKS: Last Name, First Name (year) Title of Book. City: Publisher.

   Example: Lerner, Melvin J. (1980) Belief in a Just World. New York: Plenum.

   CHAPTER IN EDITED VOLUME:

   Example: Glazer, Nathan (1979) "The Judiciary and Social Policy," in L. Theberge, ed., The Judiciary in a Democratic Society. Lexington, MA: Lexington Books.

   ARTICLES: Last Name, First Name (Year) "Title of Article," volume number Journal initial page of article. (Give month or issue number if each issue is separately paginated.)

   Examples: Padgett, John F. (1990) "Plea Bargaining in Prohibition," 24 Law & Society Rev. 413.

   Brill, Steven, & James Lyons ((1986) "The Not-So-Simple Crisis," American Lawyer 12 (May).

   UNPUBLISHED PAPERS:

   Example: Lofquist, William S. (1991) "The Development of Organizational Probation." Presented at American Society of Criminology annual meeting, San Francisco.

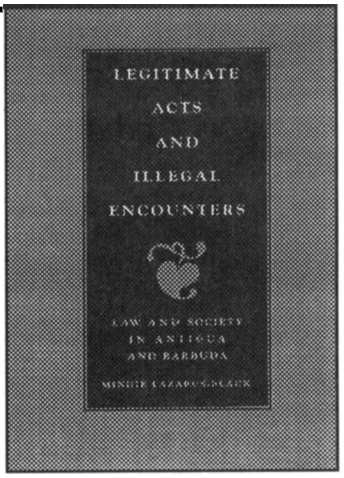

All cases cited in text are listed under "Cases Cited" following the References. All statutes cited are listed under "Statutes Cited." For style for cases and statutes, see *A Uniform System of Citation.*

LEGITIMATE ACTS AND ILLEGAL ENCOUNTERS

Law and Society in Antigua and Barbuda

Mindie Lazarus-Black

Legitimate Acts and Illegal Encounters examines three hundred years of social life on the Caribbean islands of Antigua and Barbuda to demonstrate the importance of law and the state in the creation of West Indian societies. Moving from the periods of slavery and emancipation under British colonial rule to recent independence, Mindie Lazarus-Black argues that the continuing struggle between lawmakers and the nonruling class has shaped the distinctive character of creole kinship, class, and gender. Lazarus-Black analyzes historical and social transformation on the islands, using a theoretical framework drawn from Foucault's distinction between "systems of legalities" and "systems of illegalities." Her research reveals that the same laws used by ruling classes as tools for punitive definitions have served lower classes as instruments of both defense and resistance.

DAVID C. FREDERICK

RUGGED JUSTICE

THE NINTH CIRCUIT COURT OF APPEALS AND THE AMERICAN WEST, 1891-1941

With a Foreword by Justice Sandra Day O'Connor

Frederick has mined archival sources, including court records and legal papers, to document the Ninth Circuit's first fifty years. His findings are a record of the court as well as a unique social and cultural history of the West.

KILL ALL THE LAWYERS?

Shakespeare's Legal Appeal

Daniel J. Kornstein

"It is remarkable how relevant Shakespeare continues to be to the life of the law and how Kornstein brings out his contemporary relevance in imaginative new ways."
—Alan M. Dershowitz, Harvard Law School

"*Kill All the Lawyers?* is a wonderfully enlightening book, and even those who know Shakespeare well will find in it new material to ponder. Kornstein relates the legal themes in Shakespeare's plays to contemporary issues in a way that illuminates in both directions."
—Anthony T. Kronman, Yale University

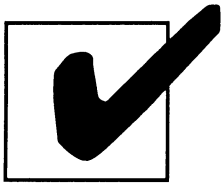

"What can Shakespeare teach the law and lawyers? Only everything: How to use language, how to tell stories, how to think about justice. Let Holmes and Blackstone wait. The first thing we do is master Shakespeare. And there is no better place to start or continue this joyous task than with Daniel Kornstein's spirited study."
—Stephen Gillers, New York University School of Law

QUIET REVOLUTION IN THE SOUTH

The Impact of the Voting Rights Act, 1965-1990

Edited by Chandler Davidson and Bernard Grofman

This work is the first systematic attempt to measure the impact of the Voting Rights Act of 1965. The book tells the story of the black struggle for equal political participation in eight core southern states from the end of the Civil War to the 1980s—with special emphasis on the period since 1965. *Quiet Revolution in the South* will become a standard source book on the history and effects of a vital piece of civil rights law.

"*Quiet Revolution* is the best and most important study of the effects of the Voting Rights Act in the South."—Bruce E. Cain, University of California, Berkeley

"*Quiet Revolution* is the most important work ever written on the impact of the Voting Rights Act."—J. Morgan Kousser, California Institute of Technology

Paper: $24.95 ISBN 0-691-02108-2

SOCIAL & LEGAL STUDIES

Edited by **Carol Smart, Sol Picciotto** and **Alison Young**

'The real value of *Social & Legal Studies* lies in the quality, level and kind of material presented in it. The journal draws on the debates occuring elsewhere in the social sciences on modernity, postmodernity and their relevance for analysing gender, heterosexuality, masculinity and the law.'
Sandra Walklate, Times Higher Education Supplement

NEW JOURNAL

Islamic Law and Society

Edited by BABER JOHANSEN (Freie Universität, Berlin)
AHARON LAYISH (Hebrew University, Jerusalem)
HUDA LUTFI (American University in Cairo)
DAVID POWERS (Cornell University, Ithaca, NY)

Islamic Law and Society aims to provide a forum for research in the field of classical and modern Islamic law, in Muslim and non-Muslim countries. It will appeal to historians, scholars concerned with Islamic and comparative law, social scientists, and Arabists and Islamicists interested in legal and social matters.

LAW AND POLICY

Edited by K Hawkins, E Meidinger

Law and Policy is a multidisciplinary journal which critically analyses the role of law in the policy process. Articles by legal scholars, social scientists, and policy makers deal with the relationship of law, legal institutions and processes to major issues such as social welfare, dispute resolution, economic analysis, and criminal justice.

Recent articles include:

"You Better Shop Around": The Market for Motor Vehicle Inspection
David Hemenway and Sara J. Solnick

The Responsibility of the Police Command for Street-Level Actions
Frank Anechiarico and Stephen L. Lockwood

Why the 1980s Measures of Racially Polarized Voting are Inadequate for the 1990s
Arthur Lupia and Kenneth McCue
