Submissions

Articles for consideration by the Editors should be submitted through the ScholarOne online submission system: https://www.cambridge.org/core/journals/byzantine-and-modern-greek-studies/information/instructions-contributors

Prospective authors are always welcome to discuss their plans with the Editors in advance of a formal submission, and early career scholars and PhD candidates are encouraged to do so.

For Byzantine topics, please contact Dr Baukje van den Berg <vandenbergb@ceu.edu>

For post-Byzantine and modern topics, please contact Professor Eirini Karamouzi <e.karamouzi@sheffield.ac.uk>

The maximum length for an article is 8000 words, including footnotes.

The journal only publishes book reviews which have been commissioned by the Reviews Editor.

Illustrations Inclusion of illustrations is at the discretion of the Editors. Detailed instructions for supply of figures may be found in the online instructions for contributors. Authors are required to provide evidence of permission to reproduce images (and any other third-party material). Captions should include credit for the relevant copyright holder.

Detailed instructions for contributors are located at http://journals.cambridge.org/byz

Footnotes *BMGS* does not publish bibliographies (lists of works cited) at the end of articles. Instead, all references are given in footnotes. Footnotes should be kept to the strict minimum necessary for documentation. They should contain only minimal extra expository material. Footnote numbers, which should always use Arabic numerals, should be given in the text, immediately following the most convenient punctuation mark.

References to publications in Greek Authors' names should be transliterated, while titles of books and journals should be given in Greek characters. Places of publication and other information should be in English.

Open Access Please visit Open Access Publishing at Cambridge (cambridge.org/openaccess) for information on our open Access policies, compliance with major finding bodies, and guidelines on depositing your manuscript in an institutional repository.
